Action Items – Airservices Australia

Michael Snell

SUMMARY

Update of open action items involving Airservices.

1. INTRODUCTION

1.1 This updates any action items that are outstanding involving Airservices Australia.

2. DISCUSSION

2.1 Action items:

A08-01 Replace BEBOG – yet to be implemented.

- Proposed that this item remains open
- We forecast that this is likely to be addressed by 30 April 2016.

A08-04 AIDC Implementation – yet to be completed,

- Proposed that this item remains open
- We have been working with our colleagues in Colombo and Male across the past 18 months. The results of the most recent trail in mid-2014 revealed that further system configuration was required. There has been no progress since this time.

I04-03 UPR zone enhancement – implemented

- Proposed that this item is closed
- Partial degrees of latitude and longitude for UPR operations have been published in OARP Manual (version 27 – 16th July 2015).

WG14-01 Extension of UPR Zone – not actioned

- Proposed that this item is closed
- Suggest that this is outside the scope of the ASIOACG/INSPIRE forum.

- Airservices is managing plans to enhance services over continental Australia.

A09-03 Implement RNP10 50-50 separation – implemented

- Proposed that this item is closed

I05-01 Invitation for Indonesia to join INSPIRE

- Proposed that this item is closed
- Airservices has, on multiple occasions, offered the opportunity for Air Nav Indonesia (Indonesia's ANSP) to join the forum. No formal reply has been received at this time.

3. ACTION BY THE MEETING

- 3.1 The meeting is invited to consider the above updates for each of the action items.
